MORE MWMDs MUSICAL WEAPONS OF MASS DESTRUCTION - AND JUST PLAIN BAD JOKES

ACCORDION PLAYER'S CAR WINDOWS BROKEN

An accordion player is driving home late one night after playing a concert. He's tired and hungry so he stops at an all-night diner for a bite to eat.

Halfway through his meal he realizes that although he locked his car doors, his accordion is in the back seat, in plain sight!

He rushes out to his vehicle but he is too late.

The windows are already smashed and someone has thrown in two more accordions.

KINDA MAKES YA WONDER...

What would happen if I hired two private investigators to follow each other?

While driving yesterday I saw a banana peel in the road and instinctively swerved to avoid it...thanks Mario Kart.

MapQuest really needs to start their directions on #5. Pretty sure I know how to get out of my neighborhood.

Obituaries would be a lot more interesting if they told you how the person died.

I find it hard to believe there are actually people who get in the shower first and THEN turn on the water.

Whenever someone says "I'm not book smart, but I'm street smart", all I hear is "I'm not real smart, but I'm imaginary smart".

How many times is it appropriate to say "What?" before you just nod and smile because you still didn't hear what they said?
