WHAT THE WELL-DRESSED HOBO SHOULD WEAR

With parade and concert season approaching, it's time for a reminder of what the properly attired Hobo should be wearing at all jobs.

Hobo rags consist of clothes with patches.

Please avoid any attire that might appear clown-like.

If you are unsure what your rags should look like, there are pictures of Hobos hanging all

around Hobo Hall. Please look them over or talk to one of our "seasoned" members. Please make an effort to be a "well-dressed Hobo."

HOBO BAND HISTORY

Several years back the band went to Buckhannon, WV for the Strawberry Festival. My wife and I drove there ahead of time to set up rooms for the band members.

My friend Lorrie Gall also went on this trip. On the morning of the parade she was feeling sick and didn't want breakfast. My wife asked if we could get her anything. Laurie said that she would like a cold bowl of cereal.

We went into town and found only one store open. I purchased a box of corn flakes, a quart of milk but I couldn't find a bowl! The store had a pet section and I found a dog dish and also a baby spoon.

We went back to Laurie's room. After laughing for half an hour, she ate her breakfast. But guess what—she felt better and did march in the parade! (Woof, Woof!)

We still have Friends in Buckhannon. One of them lost their Husband in the Sago Mine explosion a year or two ago.

EDITOR'S RAGS AND PATCHES

THINGS YOU NEVER KNEW YOUR CELL PHONE COULD DO

There are a few things that can be done in times of grave emergencies. Your mobile phone can actually be a life saver or an emergency tool for survival. Check out the things that you can do with it:

FIRST Subject: Emergency

The Emergency Number worldwide for Mobile is 112. If you find yourself out of the coverage area of your mobile; network and there is an emergency, dial 112 and the mobile will search any existing network to establish the emergency number for you, and interestingly this number 112 can be dialed even if the keypad is locked. Try it out.

SECOND Subject: Have you locked your keys in the car?

Does your car have remote keyless entry? This may come in handy someday. Good reason to own a cell phone: If you lock your keys in the car and the spare keys are at home, call someone at home on their cell phone from your cell phone. Hold your cell phone about a foot from your car door and have the person at your home press the unlock button, holding it near the mobile phone on their end. Your car will unlock. Saves someone from having to drive your keys to you. Distance is no object. You could be hundreds of miles away, and if you can reach someone who has the other "remote" for your car, you can unlock the doors (or the trunk).

THIRD:

Imagine your cell battery is very low. To activate, press the keys *3370#. Your cell will restart with this reserve and the instrument will show a 50% increase in battery. This reserve will get charged when you charge your cell next time.

FOURTH: How to disable a STOLEN mobile phone?

To check your Mobile phone's serial number, key in the following digits on your phone: * # 0 6 # A 15 digit code will appear on the screen. This number is unique to your handset. Write it down and keep it somewhere safe.

When your phone gets stolen, you can phone your service provider and give them this code. They

will then be able to block your handset so even if the thief changes the SIM card, your phone will be totally useless. You probably won't get your phone back, but at least you know that whoever stole it can't use/sell it either. If everybody does this, there would be no point in people stealing mobile phones.

And Finally....FIFTH

Cell phone companies are charging us \$1.00 to \$1.75 or more for 411 information calls when they don't have to. Most of us do not carry a telephone directory in our vehicle, which makes this situation even more of a problem.

When you need to use the 411 information option, simply dial:

(800) FREE 411, or (800) 373-3411

without incurring any charge at all. Program this into your cell phone now.

This is the kind of information people don't mind receiving, so pass it on to your family and friends.

There are still a few CDs of the Hobo Band's Greatest Hits available at the rehearsal hall for \$5.00. If you're interested, talk to one of the officers or conductors. These could become collector's items in a few years...
